

### MASTERPULS® ONE

- Radial shock wave:
  - 6 intensity levels: 6 – 18 Hz/max. 2.7 bar<sub>eff</sub>
- Intuitive operation via built-in touch screen
- SPARROW® radial handpiece:
  - Minimal vibrations for minimal hand fatigue
  - Built-in snap-in connection for fast and easy handpiece replacement
  - Available in grey, green and orange ●●●

### MASTERPULS® MP50 »ultra«

- Radial shock wave:
  - pressure: 0.3 – 4.0 bar<sub>eff</sub>
  - frequency: 1 – 17 Hz (depending on pressure)
- FALCON® radial handpiece with built-in buttons and display
- Vibration therapy (optional), V-ACTOR® »HF«: 1 – 21 Hz
- 10" touch screen (optional)
- Available in green, blue, orange and black ●●●●

### MASTERPULS® MP100 »ultra«

- Radial shock wave:
  - pressure: 0.3 – 5.0 bar<sub>eff</sub>
  - frequency: 1 – 21 Hz (depending on pressure)
- FALCON® radial handpiece with built-in buttons and display
- Vibration therapy (optional), V-ACTOR® »HF«: 1 – 50 Hz
- 10" touch screen (optional)
- Available in green, blue, orange and black ●●●●

### MASTERPULS® MP200 »ultra«

- Radial shock wave:  
pressure: 0.3 – 5.0 bar<sub>eff</sub>  
frequency: 1 – 21 Hz
- FALCON® radial handpiece with built-in buttons and display
- Two R-SW connectors
- Vibration therapy (optional),  
V-ACTOR® »HF«: 1 – 50 Hz
- Vacuum therapy, VACU-ACTOR® technology
- 10" touch screen
- Available in green, blue, orange and black ●●●●

### DUOLITH® SD1 T-TOP »ultra«

- Focused shock wave, standard energy range:  
0.01 – 0.55 mJ/mm<sup>2</sup>
- Focused shock wave, extended energy range:  
0.03 – 1.24 mJ/mm<sup>2</sup>
- SEPIA® focused handpiece with built-in buttons and display
- 10" touch screen (optional)
- Available in green, blue, orange and black ●●●●

### DUOLITH® SD1 TOWER »ultra«

- Combined shock wave therapy with 15,4" touch screen
- Functional parameters (radial and focused shock wave) see MASTERPULS® MP200 »ultra« and DUOLITH® SD1 T-TOP »ultra«
- Built-in ultrasound imaging with colour Doppler (optional)
- Drawer module »Store Case« (optional)
- Available in green, blue, orange and black ●●●●
